

## Call for the position of Programme Co-ordinator

EBC Foundation is a not-for-profit organisation, established to assist water- and wastewater companies from across Europe in improving their water services through benchmarking. EBC's benchmarking programme enables water companies to discover strengths and weaknesses in their operations and get inspired by good practices and innovations from EBC's international utility network.

We are looking for an enthusiastic (fulltime/parttime) programme co-ordinator who will be responsible for managing EBC's annual benchmarking cycles. EBC is currently expanding its activities; the candidate will also be involved in the further development of the programme and preparing EBC for the future.

Our preferred candidate should have the following profile:

- graduated (BSc, MSc) in an economic, environmental or technical area
- good organisational skills and experienced in project management
- knowledge of the water utility sector
- excellent interpersonal skills and ability to work effectively in an international, multicultural network
- analytical thinking ability
- adequate computer skills (MS Office, data processing, use of social media)
- fluent in English (speaking and writing )

EBC offers:

- an interesting job in a context of international networking
- a salary ranging from €3.395 to max. €5.443 / month (40 hours/week)
- 8,33% holiday surplus
- 8,33% year end bonus
- 15% pension contribution
- 25 holidays (apart from public holidays)
- flexible working hours in our office in The Hague or at home for max. 2 days in a week
